SUBJECT: Best Value Procurement: Furniture for Dorris Van Doren Regional Branch
(formerly the Westside Regional Branch)

DATE: October 29, 2004

El Paso Public Library has followed the Best Value Procurement process in the evaluation of bids for furniture for the Dorris Van Doren Regional Branch Library, located at 551 Redd Road. Following our evaluation, we recommend that the bid be awarded to El Paso Automated Office & Industrial Systems, Inc.

The recommended awardee completely meets all furniture specifications, for a total cost that is \$14,062.92 less than the next responsive bid. This vendor also appears to have the highest number of employees located in El Paso compared to the other vendors submitting bids. Delivery is problematic; because it is needed within 30 days for all items, but the earliest that both vendors meeting the specifications can deliver the furniture is 84 days. We would appreciate the opportunity to negotiate an earlier delivery date with the vendor recommended for the award.

El Paso Automated Office & Industrial Systems, Inc., has 16 years of experience serving El Paso, and we are confident that they will be able to deliver the necessary furniture on time and within budget.

Funds for this furniture purchase are available in the 2000 Quality of Life bond issue project budget for the Dorris Van Doren Regional Branch Library.

Please feel free to contact me if you have further questions about our Best Value Procurement analysis.
